

Leads List

Dear Member:

All the inquiries we receive at our Visitor Center - phone calls, e-mails, and written mail - are entered into our **Lead List** database. Approximately 80% of these inquiries are from people who are already planning on visiting our area and they want more information on local services and activities. You sending them information directly about your business is an excellent way to let them know you exist and turning them into potential customers upon their arrival. For just \$60.00, these names are available to you electronically or via labels printed by the Chamber two times a month for six months.

If you are interested in this service, please fill out our order form and mail it or drop it by the Chamber with the correct amount. Please call the Chamber at (970) 724-3472 if you have any questions or suggestions about this service.
